

## Advanced control systems, inc. is now officially minsait ACS, inc.

- **The official change to Minsait ACS aligns us with our global parent company Minsait, based in Madrid, Spain, and allows us to continue to grow and expand our solutions and offerings to the utility market**

**Atlanta, GA, March XX, 2022** -- Advanced Control Systems, Inc., a leading real time energy management solutions provider based in Atlanta, Georgia, is now officially Minsait ACS, Inc. While the name is changing, customers and partners can expect the same great solutions, research, development, customer service, staff, and leadership.

The official change to Minsait ACS aligns us with our global parent company Minsait, based in Madrid, Spain, and allows us to continue to grow and expand our solutions and offerings to the utility market.

"Our portfolio of solutions and services is much broader than Control Systems," says Adrian McNulty, CEO. He continued, "We have a full suite of OT/IT solutions and are now active in Data Analytics and Asset Performance Management (APM) projects, as well as growing partnerships that will help us further expand our IT offerings."

### About Minsait ACS

Minsait ACS ([www.minsaitacs.com](http://www.minsaitacs.com)), an Indra Company, is a leading global technology and consulting company and technological partner for core business operations of its customers worldwide.

Based in Atlanta, Georgia, Minsait ACS has over 40 years' experience in the utility industry, and we are proud to bring the broadest set of OT and IT solutions to our valued customers.

At Minsait ACS, we leave our mark by providing solutions and services that support the entire energy value chain, from intelligent management networks and data to the commercialization of energy and new services. Our value proposition is based on innovation and knowledge of the business processes and challenges within the utility sector.

### About Minsait

Minsait, an Indra company ([www.minsait.com](http://www.minsait.com)), is the leading firm in Digital Transformation Consultancy and Information Technologies in Spain and Latin America. Minsait possesses a high degree of specialization and knowledge of the sector, which it backs up with its high capability to integrate the core world with the digital world, its leadership in innovation and digital transformation, and its flexibility. Thus, Minsait focuses its offering on high-impact value propositions, based on end-to-end solutions, with a remarkable degree of segmentation, which enables it to achieve tangible impacts for its customers in each industry with a transformational focus. Its capabilities and leadership are demonstrated in its product range, under the brand Onesait, and its across-the-board range of services.

### About Indra

Indra ([www.indracompany.com](http://www.indracompany.com)) is one of the leading global technology and consulting companies and the technological partner for core business operations of its customers world-wide. It is a world-leader in providing proprietary solutions in specific segments in Transport and Defense markets, and a leading firm in Digital Transformation Consultancy and Information Technologies in Spain and Latin America through its affiliate Minsait. Its business model is based on a comprehensive range of proprietary products, with a high-value focus and with a high innovation component. In the 2021 financial year, Indra achieved revenue of € 3.39 billion, with more than 52,000 employees, a local presence in 46 countries and business operations in over 140 countries.
